When only the finest will do...

HAWTHORNE

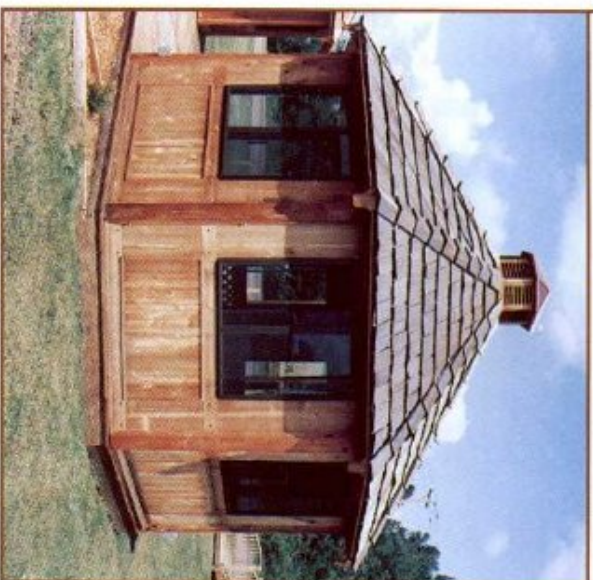

HAWTHORNE DESIGN is totally enclosed with removable fiberglass screens and arched window openings. All sizes look basically the same with the exception of the door panels and side lights next to the door. The Hawthorne comes standard with lattice bottoms. **OPTIONS:** Lower wall panels available in sunburst or solid wood. Plexiglass kits for seasonal enclosure or storage.

CRAFTSMANSHIP

- UNPARALLELED OLD WORLD HANDCRAFTED QUALITY
- MADE FROM WESTERN RED AND INLAND CEDAR PREFERRED FOR ITS NATURAL RESISTANCE TO WARPING, MOISTURE, DECAY AND INFESTATION, RETAINS FINISHES LONGER
- FIR LAM BEAMS FOR EXTRA STRENGTH
- CHANNELLED SPACE TO ACCOMMODATE ELECTRICAL
- LAP-JOINT CONSTRUCTION FOR AN EXACTING FIT
- TONGUE-N-GROOVE VAULTED BEAMED CEILING
- HAND SPLIT CEDAR SHAKE ROOF
- PRE-CUT CEILING LIGHTFAN MOUNT BOARD
- PRE-INSTALLED WINDOWS AND DOOR LOCKS
- COPPER ROOF CUPOLA GIVES A GREAT CROWNING APPEARANCE BUT ALSO EQUALIZES AIR PRESSURE IMPEDING STRUCTURAL WEATHER DAMAGE
- RUSTIC EXTERIOR FINISH AND SMOOTH INTERIOR

WINDSOR

WINDSOR DESIGN is fully enclosed with removable 42 1/2" x 44" slider, combination windows and screens, with a double hung window in a wood door or a metal combination door. The Windsor wall panel comes standard with a choice of solid wood, lattice or sunburst bottoms backed with plexi-glass.

MAJESTIQUE

MAJESTIQUE DESIGN boasts larger fully removable 45 1/4" x 55 1/2" slider, combination windows and screens, with reinforced window framing, finished with shallow solid wood bottoms. A five foot sliding patio door with screen is standard on the 15' gazebo otherwise same as Windsor.
